

### Infographic 3.1. Work and Progress – Chapter highlights

#### MASTERING THE TWIN TRANSITION

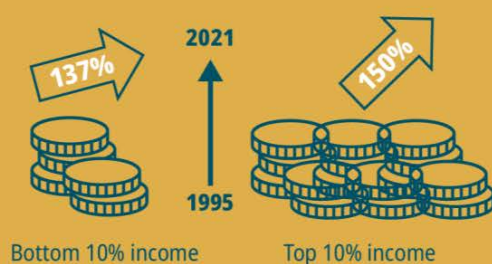

The share of AI talents has more than doubled in less than a decade, but lack of AI skills remains a barrier

#### CHALLENGES FOR YOUNGER GENERATIONS

Financial pressures push many young people to live with their parents for longer

#### ECONOMIC INEQUALITY

Slower growth in low incomes has widened income gaps in the OECD

#### UNEVEN GENDER PERCEPTIONS

2014-2022

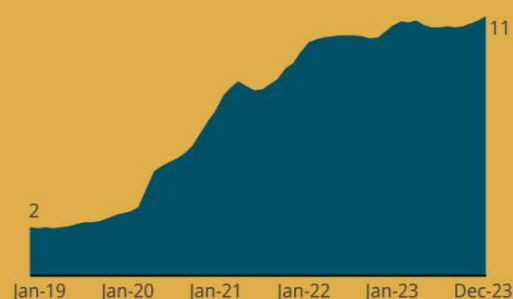

If a woman earns more money than her husband, it causes problems

Men make better business executives than women do

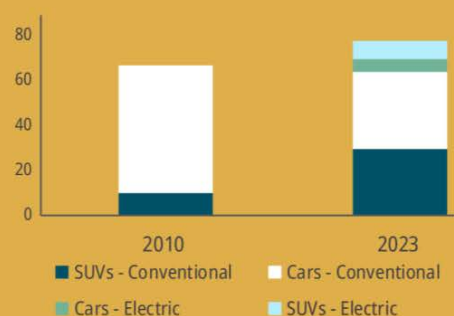

Some discriminatory views are losing traction, while others are becoming more prevalent

#### DIGITAL DYNAMICS

The share of job postings for remote/hybrid work continues to rise after COVID-19

#### TOWARDS SUSTAINABLE LIVING

Environmental gains from increasing electric car sales are offset by rising SUV sales
