

### Infographic 4.1. Voices and Storytelling – Chapter highlights

#### DEMOCRACY AND ITS DISCONTENTS

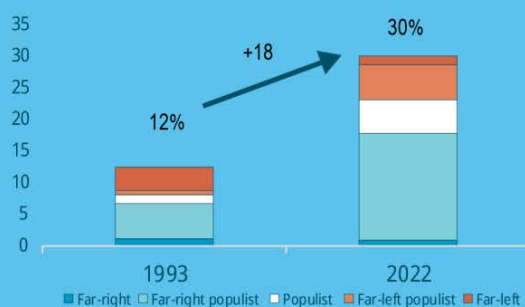

Voter turnout has declined across world regions since the 1970s

#### DIVERSE VOICES IN A GLOBALISED WORLD

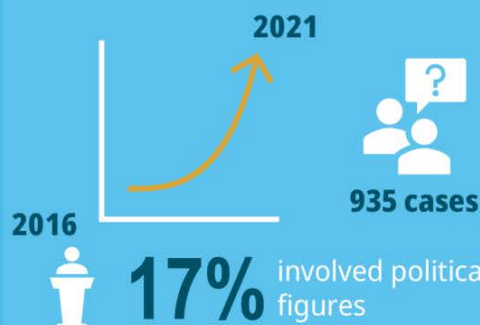

Some 71% of Nobel Prize winners in literature have been from Europe

#### POPULISM AND POLARISATION

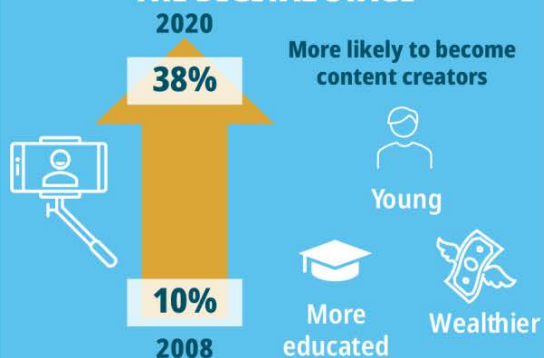

Across 31 European countries, the combined vote share of populist, far-left and far-right parties is increasing

#### FREEDOM AND FAKE NEWS IN THE DIGITAL AGE

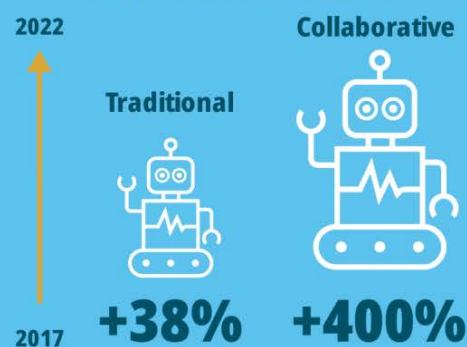

Cases of disinformation targeting elections are increasing

#### THE DIGITAL STAGE

A growing share of people in OECD countries are using the Internet to upload self-created content

#### LOOK WHO'S TALKING!

A growing share of robots installed each year are designed to work with humans
