

Box 7. A selection of most creative responses across countries for the Science Fair Poster item

**어린왕자의 행성처럼
우리도 각기 다른 작은
행성에 살면서 우주선을
타고 이동할것같다** // *Like the
planet in The Little Prince, we will
probably live on small planets and
travel by spaceship (Korea)*

**Credete negli alieni? Il
nostro festival terrà
conferenze e mostre per
parlare dell'esistenza di un
altro essere vivente
presente nello spazio. Fate
attenzione perchè le
navicelle aliene sono
entrate nella nostra galassia
e sono pronte ad attaccare.
direzione Terra.** // *Do you
believe in aliens? Our festival will
hold conferences and exhibitions
to discuss the existence of another
living being present in space. Be
careful because the alien
spaceships have entered our
galaxy and are ready to attac ..
heading towards Earth. (Italy)*

**Planeti so prikazani kot
nekakšni baloni, ki potujejo
čez vesolje in hkrati
predstavljajo svobodno
življenje letenja, ki ga
največkrat pripišemo pticam.**
// *The planets are depicted as
balloons travelling through space,
at the same time representing the
free life of flight most often
attributed to birds. (Slovenia)*

**sinais são representações de
signos através das estrelas**
// *signs are representations of
signs through the stars (Brazil)*

"فشتكم ويغ م لاج" //
*A hidden realm
(Saudi Arabia)*

Note: Student responses are shown as they were submitted in the PISA 2022 creative thinking test, including creative spelling and grammar. The notation [...] indicates where student responses have been shortened for brevity.
